## Professional Experience

**Mobile Application Developer** | Milenia - Informatics and Services, Ltd. | Feb. 2023 - Current  
Developed a React Native application for iOS, gaining proficiency in JavaScript. Additionally, I was responsible for creating graphic materials for the application's launch, utilizing Photoshop.

**Cybersecurity Intern** | Securnet | Jun. 2023 - Aug. 2023  
Served as an intern on the managed services team where I carried out an extensive project for my Computer Engineering course. I gained experience in Network Engineering, including email, web, and SFTP server configuration. I also became familiar with tools like Zabbix, GLPi, and Grafana, and wrote a Bash script using machine learning algorithms to analyse Zabbix's database.

**Distributor** | Paintre - Lens, Switzerland | Jun. 2020 - Sep. 2020  
Responsible for loading and transporting furniture between homes according to customer needs.

**Condominium Administrator** | Lens Municipality - Lens, Switzerland | Jun. 2019 - Sep. 2019  
Oversaw cleaning, maintenance, and garden upkeep of the condominium. Also ensured the well-being of the residents and addressed any issues reported by them.

**Condominium Administrator** | Crans-Montana Municipality - Lens, Switzerland | Jun. 2018 - Sep. 2018  
Oversaw cleaning, maintenance, and garden upkeep of the condominium. Also ensured the well-being of the residents and addressed any issues reported by them.

**Caddie - Staff** | Omega European Masters Crans Montana - Crans-Montana, Switzerland | Sep. 2017  
Staff member at one of the most prestigious golf tournaments in Europe.

**Viticulturist** | Cave du Mont de Lens - Lens, Switzerland | Sep. 2016  
Engaged in grape picking for wine production processes.

## Education

**Institute Polytechnic of Guarda** | Guarda | 2023

• <b>Bachelor's degree in Computer Engineering</b> Thesis: Intelligent Network Monitoring System	• <b>Vice-President of Computer Engineering Student Association</b>
---	---

## Skills

Zabbix	Grafana	GLPi	FortiGate	FortiSwitch	Kotlin	React Native	Python	Java
C, C++	NodeJS	PL/SQL	MySQL	Photoshop	C#	ASP.NET	Linux	

## Certificates

CCNav7 Introduction to Networks	Cybersecurity Foundations Specialization
CCNav7 Switching, Routing, and Wireless Essentials	Learn to code by making a 2D Platformer in Unity
CCNav7 Enterprise Networking, Security and Automation	The complete Android Oreo developer Course
